## Product description:

Suspended console for glass roof, stainless steel, polished, AISI 304 1D, glass depth from the wall: 1100-1300 mm. This solution is convenient to use in places where it is not possible (no space) to attach supports above the roof. The price is indicated per console. For one small roof, 2-4 sets can be used depending on the length of the roof.

Color	Width, mm	Grade
Black	1100-1300	AISI304
Metal	1100-1300	AISI304
Anthracite	1100-1300	AISI304
